

# 2026 KIRSTENBOSCH WEDNESDAY TALKS

Join us for the next **RoomtoGrow Kirstenbosch Wednesday Talk** hosted online by Struik Nature. Introduction by Brett Chilcott of RoomToGrow.

## MUSHROOMS

THE EDIBLE, THE POISONOUS  
AND THE EXTRAORDINARY

PRESENTATION BY GARY GOLDMAN

WEDNESDAY • 2 SEPTEMBER • 10H30

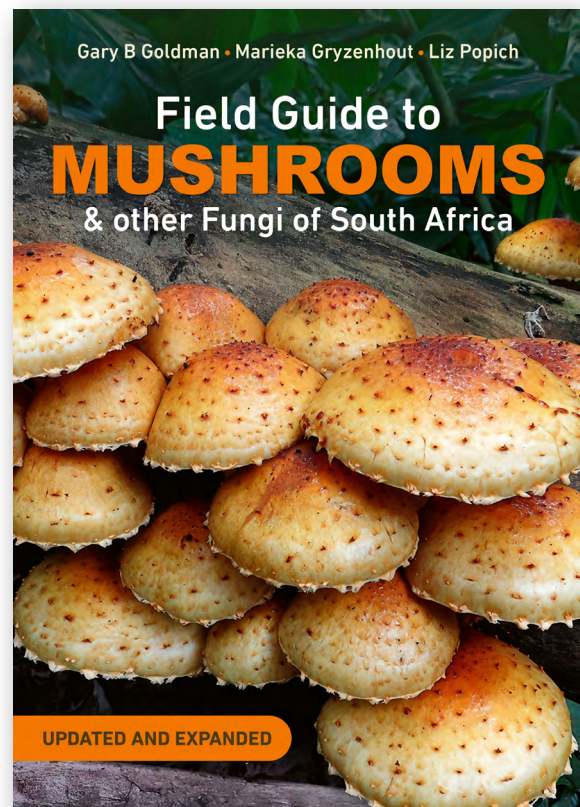

Explore the fascinating world of mushrooms and fungi – from edible and poisonous species to unusual and extraordinary forms – and discover their diversity and important relationships with plants.

**REGISTER NOW**

**Gary B Goldman** is an amateur mycologist, and active on a variety of online mycology forums. Known as the 'Mushroom Fundi', he leads foraging expeditions in and around the Cape and on wine farms in the greater region. He also provides a mushroom identification service.

## QUESTION & ANSWER SESSION

There will be a Question & Answer session at the end of the talk. Please post your questions in the Zoom Q&A section during the launch.

## SPECIAL OFFER!

Talk registrants can enjoy a special discount on ***Field Guide to Mushrooms and other Fungi of South Africa*** (New Edition) when ordering from **[www.struiknature.co.za](http://www.struiknature.co.za)**.
